To Whom It May Concern

Subject: Letter of Support for Robotics Course and Appreciation for Ms Nourhan Bayasi

I am writing to express my strong support for the robotics course offered at Applied Technology High School and to extend my heartfelt appreciation for the remarkable efforts of Ms. Nourhan Bayasi, whose dedication and passion have made this course an exceptional learning experience.

The robotics course has become much more than a technical program—it has been a transformative journey. Their innovative teaching methods, hands-on projects, and encouragement of creative thinking have allowed students like me to not only learn but also apply robotics concepts to real-world challenges. Their ability to simplify complex concepts while fostering a collaborative and inclusive learning environment is truly commendable.

The impact of Ms. Nourhan Bayasi efforts goes beyond academics. By inspiring curiosity and perseverance, they have empowered students to develop essential skills such as problem-solving, teamwork, and critical thinking.

Thank you for recognizing and supporting the contributions of exceptional educators like Ms Nour Bayasi. Their dedication is a testament to the importance of investing in robotics education.

Sincerely,

Shikha Jasim Hamdan Al-Ali

Undergraduate Electrical Engineering Student at the American University of Sharjah
